A Slice of Historical Architecture

DILAPIDATED - MENDOORAN HOUSE

Marchant Street, Mendooran.

An abandoned house.

Chimney's have moved out from original placement and cracking. You can see daylight through the top of walls throughout the home that are lurching North, South, East and West as is the flooring, walls moving out and ceilings could come down.

A test of time for it's heritage construction with living area seperate from sleeping area, the meat house is on a lean and a no go zone. The veranda is collapsing as horses have walked on, windows are broken. The yard is an overgrown jungle.

However, there will be someone out there with a heart bigger than themselves that will take this challenge to restore or bulldoze.

Probably the worst house in the town !

Upcoming Auction.
